The Young Carers Service in Bracknell, situated in Early Help, provides vital support to children and young people who provide emotional and/or practical support and assistance for a family member who is disabled, physically or mentally unwell or who misuses substances. Our service works in partnership with families, schools, and community organisations to ensure young carers are recognised, valued, and supported to achieve their full potential. - The Young Carers Early Help Professional will lead on timely, high-quality transition assessments for young carers approaching adulthood. The role ensures that each assessment is proportionate, strengths-based and compliant with statutory duties, forming the foundation for personalised support plans that safeguard wellbeing, reduce inappropriate caring, and promote positive outcomes in education and life chances.
- Young Carer's Early Help Professional will develop interventions and approaches for young people aged up to 18 to take part in a range of universal activities that support their wellbeing, development and support them with their responsibilities as a young carer.
