PERFORMING ARTS DEPARTMENT

Both Music and Drama is taught as a discrete subject at KS3 with all year groups having one hour of contact time per week. Over the three years we cover a very broad curriculum, immersing students in the world of the Performing Arts.

We also enjoy healthy class sizes for both subjects at GCSE and the right candidate will potentially be able to contribute to one or both GCSE courses.

The candidate would also be expected to make contributions to our very popular and busy extra-curricular schedule which includes whole school musical productions as well as smaller examination performances and we would welcome new and exciting ideas in these areas.

Our teaching areas include a large drama studio with modern sound and lighting equipment and a fully functioning 220 seat theatre with retractable seating and up to date sound and lighting rigs, as well as a dedicated and fully resourced music department including two large teaching rooms, practice rooms and a functional recording studio.

We look forward to receiving your application.

Head of Performing Art
